

IndiaTrib 2019 related Special Issues

A special issue of the Proceedings of the Institution of Mechanical Engineers, Part J, Journal of Engineering Tribology is being brought out.

The guest editors for this issue are Prof. Sujeet Kumar Sinha, IIT Delhi, and Prof. Satish V. Kailas, IISc, Bangalore. Presenters desirous of publishing their papers in this journal may please do so by the 31st of January, 2020.

The papers will undergo a regular peer review process. 10-12 papers will be accepted for this special issue. The papers are to be submitted through the journal website."

Procedure for submission of papers to Tribology Letters

Please go ahead and submit in the normal way, but at the point when you are asked for additional information, you need to pull down the menu to IndiaTrib19. The review process will be carried out in the usual manner by the Editor of Tribology Letters.

The journal "Friction" also has opened up for a special issue for IndiaTrib2019. The last date for submission of papers will be March 30th, 2020.

Note : Any query related to above may be addressed to "Prof Satish V Kailas" <satish.kailas@gmail.com>
