

ITC Fukuoka 2023

9th International Tribology Conference, Fukuoka 2023

25th-30th September 2023

Fukuoka International Congress Center, Fukuoka, Japan

Dear Colleagues,

We are pleased to announce that abstract submission for the 9th International Tribology Conference, Fukuoka 2023 (ITC Fukuoka 2023) just started on August 1st, 2022.

The slogan of ITC Fukuoka 2023 is "Reunite, Invigorate, Create an Inspiring Future" and the scope covers all areas of science and technology regarding tribology.

We hope that tribologists from all over the world will meet again in Fukuoka to exchange information on cutting-edge research and technological development, and to discuss tribology for the future.

<ITC Fukuoka 2023>

- ◆Date: 25th - 30th September, 2023
- ◆Venue: Fukuoka International Congress Center
- ◆Abstract Submission: 1st August, 2022 - 31st December, 2022 (tentative)
- ◆Programs:

1. Technical Sessions (Oral or Poster)

Session topics are as follows. Please refer to the conference website for the keywords of each topic.

- (1) Principles of Tribology
- (2) Engineering Tribology
- (3) Tribology Simulation
- (4) Advanced Tribology Material
- (5) Bio-Inspired Tribology
- (6) Tribology for a Sustainable Society

2. Symposia (Oral)

For some symposia, anyone can apply and submit their abstracts. Please refer to the program details on the conference website.

◆Abstract Submission

Please submit your abstract online from the conference website. Main text

of an abstract is about 450 words or less.

We do not request you to submit an Extended Abstract for this conference, but we invite paper submissions to the special issue of Tribology Online.

Please note that the organizing committee may ask to change your presentation styles depending on the number of submissions.

Conference website: <https://www.itc2023.jp/>

Abstract Submission: <https://www.itc2023.jp/html/call-for-papers/abstract-submission/>

Should you have any questions, please do not hesitate to contact the conference secretariat (itc2023-support@officebeone.com).

We look forward to your abstract submission and participation to ITC Fukuoka 2023.

Regards,

Joichi Sugimura
Chair of ITC Fukuoka 2023
Professor of Kyushu University

Takefumi Otsu
ITC Fukuoka 2023 Secretary General
