ABOUT SOCIETY

All India Shri Shivaji Memorial Society (AISSMS), Pune was established in 1917 by Rajarshi Chhatrapati Shahu Maharaj of Kolhapur with the sole purpose of promoting the noble cause of education. Society runs 19 educational institutions and College of Engineering is one of them.

INSTITUTION

AISSMS College of Engineering, Pune was established in the year 1992. The College is affiliated to the Savitribai Phule Pune University (SPPU). It conducts undergraduate courses in various disciplines of engineering namely, Chemical, Civil, Computers, Electrical, Electronics, Mechanical, Mechanical Sandwich and Production Sandwich, and post graduate courses in Chemical, Structures, Computers, Power Electronics and Drives, Microwave, Automotive and Design. College is located in the heart of Pune city on a sprawling campus.

WORKSHOP OBJECTIVES

Tribology subject, needless to say, is very important in Mechanical and Production Engineering. Modern day machine design is incomplete without incorporation of tribological aspects. SPPU has introduced 'Tribology' and 'Industrial Tribology' subjects in Mechanical Engineering at undergraduate and post-graduate level.

This programme is intended to assist faculty members, PG students in supplying adequate information for effective teaching-learning and highlight key areas of research in the field for research aspirants.

COURSE CONTENT

Tribo-tests
Friction and Wear
Lubrication of Bearings
Hydrostatic Squeeze Film
Surface Treatment and Coatings
Elasto-hydrodynamic Lubrication
Tribological Aspects in Metal Working

WHO SHOULD ATTEND

The workshop is design to cater to the needs of faculty members in Mechanical and Production Engineering, Post-graduate Students, Research Scholars pursuing or aspiring to do research in the area of Tribology, Practicing Engineers from Industry, Lubricant Manufacturers and Marketing Professionals.
