## International Conference on Engineering Tribology and Applied Technology 2024 (ICETAT 2024)

### Welcome

We are pleased to invite you to **International Conference on Engineering Tribology and Applied Technology 2024 (ICETAT 2024)**, which is scheduled from **18-20, October, 2024 in Fuli Hot Spring Resort, Sun Moon Lake, Nantou County, Taiwan.**

### Scope of the Conference

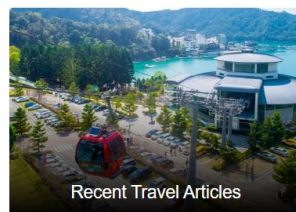

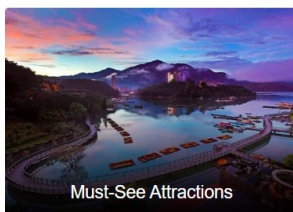

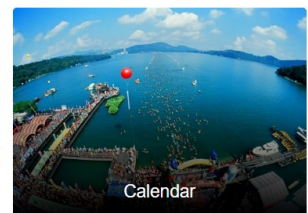

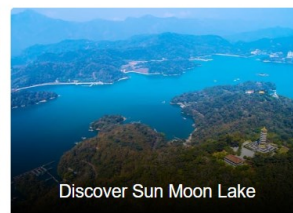

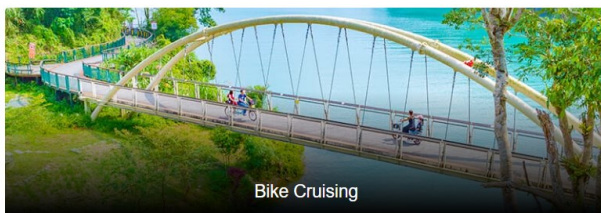

The aim of the ICETAT2024 is to gather academic scholars and industry engineers from all over the world to present advanced technologies in the aforementioned fields and to foster an environment conducive to exchanging ideas and information. The ICETAT2024 will provide a platform to assemble engineers, researchers, practitioners, and academics to present and discuss ideas, challenges and potential solutions on established or emerging topics relating to research and practice in Engineering Tribology and Applied Technology.

### Publication

Most of the accepted papers will be published on EI indexed journals. Excellent and high quality papers will be recommended to be published on the SCI journals after extension of the papers and an additional reviewing process.

### About Sun Moon Lake

Sun Moon Lake National Scenic Area has a rich indigenous culture, and excellent agricultural products. Come here to enjoy bike riding, cable car and boat rides, or take the little train at Jiji and experience the nostalgic Taiwan railway. It will leave you with the most wonderful and lasting memory of your trip! (Ref. <https://www.sunmoonlake.gov.tw/en>)
